

■ MINIMUM VIABLE DAY

If lost → start here

■ Start anywhere

1. ■ Mirror (morning)

You are loved.

look in the mirror → say "you are loved" → feel for even 1% truth

2. ■■ Breathe

Feel your body.

reach arms up → inhale → fold down → exhale → notice sensation

3. ■ Nourish

Eat with attention.

drink water or tea → take one slow bite → no scrolling

4. ■■ Close one loop

One real thing done.

pick one small task → finish it completely → mark it done

5. ■ Reset (midday)

Pause. Feel. Choose.

stop → 3 breaths → ask "what actually matters now?"

6. ■ One human

Reach out sincerely.

send one honest message → appreciation, help, or invitation

7. ■ Notice beauty

Even briefly.

look at sky/light/texture → pause → let it register

8. ■ Mirror (evening)

You showed up.

look in mirror → say "I showed up" → acknowledge one thing

Core Invariants

- Self before signal
- Body included
- One loop closed
- One human touched
- No urgency coercion

Don't live the ideal life.
Run its smallest valid instance.
